

Recommendation letter

Date - 04/02/2024

It is with great pleasure that we recommend **Shweta Bhaskar Gangurde** based on her outstanding performance during her internship with Cognifyz Technologies as a **Power BI Intern**. Shweta Bhaskar has been an invaluable asset to our organization throughout her tenure.

During her internship, Shweta consistently demonstrated excellent communication skills, a strong desire for knowledge, and an impressive understanding of Power BI concepts. Her project submissions and active participation in regular activities were of exceptional quality, showcasing her exceptional skills in Power BI.

We take this opportunity to extend our best wishes to Shweta for her future endeavors. We have no doubt that she will continue to shine in her Power BI journey, and we are confident that she has a bright future.

Regards,

Cognifyz Technologies
